Signs with smart connectivity for Better road safety

The screenshot displays the IBM Cloud dashboard interface. At the top, there's a navigation bar with the IBM Cloud logo, a search bar, and links for Catalog, Manage, and the user's account (Rahul Kumar's Account). Below this, the main dashboard area is titled "Dashboard" and includes links for "Edit dashboard", "Upgrade account", and a "Create resource" button. The dashboard is organized into sections. The "For you" section features a "Build" card with a blue gradient background and several tutorial cards: "Use Watson Studio", "Get Started with Watson Studio", "Build a web app with Watson Speech to Text", "Use Speech to Text", and "Use Te". Each card includes a brief description, a "Popular" tag, and a duration. The bottom section contains "User access" with a "Manage users" link, a "News" section with a "View all" link, and a "Planned maintenance" section with a "View all" link. A blue chat button is visible in the bottom right corner.
